

ASTC Travel Passport Program Participants – May 1, 2016 to October 31, 2016

California List Only—Local Restrictions May Apply

The Travel Passport Program entitles visitors to free **GENERAL ADMISSION**. It does not include free admission to special exhibits, planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. Acquaint yourself with the family admittance policies (denoted by "F:") of Passport Program sites before visiting. Visit www.astc.org/passport for a list in larger font.

PROGRAM RESTRICTIONS:

1. Based on your science center's/museum's location: Science centers/museums located within 90 miles of each other are excluded from the Travel Passport Program unless that exclusion is lifted by mutual agreement. 90 miles is measured "as the crow flies" and not by driving distance. Science centers/museums may create their own local reciprocal free-admission program. ASTC does not require or participate in these agreements, or dictate their terms.

2. Based on residence: To receive Travel Passport Program benefits, you must live more than 90 miles away "as the crow flies" from the center/museum you wish to visit. Admissions staff reserve the right to request proof of residence for benefits to apply. Science centers and museums requesting proof of residence are marked by (✓IDs).

For Lindsay Wildlife Experience members—ASTC is an international program; a complete list of participating U.S. and international museums is available at the museum, online (www.astc.org/passport), or call 925-935-1978 to have a complete list sent to you. Lindsay Wildlife Experience members receive 50% off admission at the asterisked (*) Bay Area museums; all others are free. Restrictions may apply.
